

Little Britain Challenge Cup

Spring One-Day Regatta, 15 May 2020

The Little Britain Challenge Cup, founded in 1988, is Europe's biggest industry regatta and is open to any company within the property and construction industry.

Such is its success, this year we are delighted to announce the launch of the first-ever LBCC Spring One-Day Regatta on 15th May 2020, taking place ahead of the main regatta in September.

This unique construction industry networking event offers the perfect opportunity to get the whole team together and enjoy a day of competitive sailing against industry peers. It is not to be missed.
