

Sunsail Sail for Charities Regatta Little Britain Challenge Cup

Friday 11th September 2020

Sunsail is proud to be partnering with The Little Britain Challenge Cup for the 33rd Construction and Property Industry Regatta raising money for sailing charities.

During this challenging year we have been engaging with our loyal supporters to come up with a format that is simpler and safer whilst still supporting our charities and the UK Sailing Industry.

We have been mindful of severely reduced marketing budgets and have produced an event that brings our industry together on the water at a reduced cost with a single day, 3 race format based out of Port Solent, Portsmouth.
